

George Pleat Guitar Studio Policies

Revised 6/8/17

Price for Weekly Private Lessons

Weekly private 30 minute lessons are available for \$20 per session. The private lesson fee includes a free introductory meeting and one student recital¹. Payment is due at the beginning of the month for all scheduled weekly lessons -- the fee is non-refundable.

Group

Groups are limited to a maximum of 4 players and are open to all ages. Lessons will be scheduled on a weekly basis during the quarter with a goal of performing in a recital at the end of each quarter. Fees will be determined depending on the number of students in the group. Fees for group lessons are discounted for students taking private lessons at the Studio.

Make-up Lessons

Each quarter a student taking private lessons is allowed two make-up lessons. The make-up lesson will be scheduled in the following week between the teacher and the student (or parent if applicable). More than two absences from weekly lessons during the quarter will not be re-scheduled and will be charged accordingly. If I, the teacher, cannot make a lesson, there will be a makeup lesson offered to the student or a credit will be applied to the student's next month lesson fee.

Calendar

Specific times of student weekly private and group lessons will be provided in writing.

¹ Assuming there are enough students enrolled in private lessons to warrant a recital.
