

George Pleat Guitar Studio Policies

Revised 01/05/23

Fee for Weekly In-Person Private Lessons

Weekly private 30 minute lessons are available for \$25 per session. The private lesson fee includes a free introductory meeting and one student recital¹. Payment is due at the beginning of the month for all scheduled weekly lessons -- the fee is non-refundable.

Make-up Lessons

Each quarter a student taking private lessons is allowed two make-up lessons. The make-up lesson will be scheduled in the following week between the teacher and the student (or parent if applicable). More than two absences from weekly lessons during the quarter will not be re-scheduled and will be charged accordingly. If I, the teacher, cannot make a lesson, there will be a makeup lesson offered to the student or a credit will be applied to the student's next month lesson fee.

Calendar

Specific dates and times of student weekly private and group lessons will be mutually agreed upon between teacher and student prior to the commencement of weekly lessons.

Zoom lessons

- will be provided by the Studio upon student request
- fee is the same as in-person
- the teacher will provide a zoom invite link stating the day and time of the lesson.
- The student is responsible for their equipment necessary to participate
- the Studio strongly encourages (if possible) that the student pursues at least one in-person lesson per month in combination with weekly zoom lessons.

¹ Assuming there are enough students enrolled in private lessons to warrant a recital.
